If you are a RETURNING official:

- You need to complete the NEW online registration Course
<https://www.bchockey.net/officials/getting-started/online-recertification>
- You need to register for an in-person officiating clinic. (Sept 17)
- If you are over 18, you need to complete a Criminal Record Check prior to registration.

*** It takes time for the CRC to be completed, so do not wait to get this done. You cannot register for a course until it is complete. Officials are NOT permitted to attend any clinic unless all the pre-requisites are completed in full.
